**Budget:** Ksh 406.5 Million  
**Implementation period:** 4 years  
**Source of funds:** GoK, Devt partners

CDA's AREA OF JURISDICTION

## What We do

CDA is a state corporation established by an Act of Parliament whose mandate is to plan and coordinate the implementing of integrated development projects in the entire Coast Region, Southern Garissa and the Exclusive Economic Zone (EEZ).

## Vision

To be the lead agency in implementing sustainable integrated development.

## Mission

To accelerate socio-economic development through innovation, planning, coordination and partnership in implementation of integrated programs, value addition and environmental management.

## General Data of the Region

- ◆ Land Size: 103,326km<sup>2</sup> (31% arable & 69% ASAL)
- ◆ Population: 4.4 Million (2019 census)
- ◆ EEZ : 200 Nautical Miles (370)
- ◆ Coast line 650km
- ◆ Ports Kilindini in Mombasa & Lamu (upcoming)
- ◆ Counties: Seven (7)

## 1. Integrated Fish Development Project

### Overall Objective

To enhance utilization and exploration of fish resources along the Kenya Coast.

### Expected output

- Fish Processing Plant Capacity 40 tonnes of fish per day and auxiliary facilities (cold room, Chiller and ice plants, berth/landing site) constructed.
- 2 commercial fishing vessels with a capacity 180 tonnes each.
- 2 Fish farms established producing 400 tonnes per year.
- 200 Ha of marine ecosystem rehabilitated and conserved.
- Community social support

**Suitable sites:** Lamu

**Budget:** Ksh 2.36 Billion

**Implementation period:** 10 years

**Source of funds:** PPP

## 2. Lake Challa Integrated Water Resources Development Project

### Overall Objective:

To improve the living standards of farmers and general community.

### Expected output

- 1,528 m<sup>3</sup>/day of domestic water supplied
- 2,020 ha of land put under irrigation
- 500 ha of forest established
- 1,000 farmers access modern farming technology

**Sites:**

- Taita Taveta

**Budget:**

- Ksh 3.28 Billion

**Implementation period:**

- 15 years

**Source of funds:**

PPP

## 3. Solar Power Generating Project

### Overall Objective:

To exploit solar energy as alternative source of energy.

### Expected output

- A 40MW solar power generation plant established.
- 1,000 jobs created.
- Kshs 150M revenue generated annually.

**Site:**

Tana River

**Budget:**

Ksh 7 Billion

**Implementation period:** 10 years

**Source of funds:**

PPP

## 4. Kishenyi Multi-purpose Dam

### Overall Objective:

To enhance food security and livelihoods opportunities.

### Expected output

- Kishenyi dam with a capacity of 39,000m<sup>3</sup> restored.
- 2,000 house holds provided with water supply.
