Coast Development Authority is a State Corporation established by an Act of Parliament No. 20 of 1990 (Cap 449) of the Republic of Kenya, with the mandate to provide integrated development planning, coordination and implementation of projects and programmes within the whole of Coast Region (Mombasa, Kwale, Kilifi, Taita-Taveta, Tanariver and Lamu Counties), including the southern part of Garissa County (Ijara and Fafi) and the Kenya's Exclusive Economic Zone (EEZ) and for connected purposes.

Vision

To be the lead agency in implementing sustainable integrated development.

Mission

To accelerate socio-economic development through innovation, planning, coordination and partnerships in implementation of integrated programs, value addition and environmental management.

Our Strategic Objectives

- i. To contribute to food sufficiency in the region.
- ii. To contribute to poverty-reduction and improvement of socio-economic well-being of the communities.
- iii. To contribute to the reduction of unemployment in the region.
- iv. To conserve the environment and manage the natural resources for sustainable development.
- v. To strengthen CDA's financial base.

CDA PROJECTS/PROGRAMMES

1. Ongoing: Construction of the Mwache Multipurpose Dam Project

2) Completed Phase 1: Malindi Integrated Social Health Development Programme

3) Completed: Kenya Coastal Development Project
