

- ◆ 11.5km Mjanaheri-Ngomeni road tarmacked;
- ◆ A By-pass Foot Bridge constructed at Burangi;
- ◆ CDA Malindi office constructed, furnished and equipped, and CDA headquarters renovated;
- ◆ Exchange visits, seminars and workshops conducted;
- ◆ Programme Management Unit established and operational.

PROGRAMME BENEFICIARIES

- ◆ 2,785 students disaggregated as 1,511 boys and 1,383 girls will benefit from the constructed education facilities of Ngomeni secondary, Ngomeni primary, Burangi primary, Midodoni primary and Rasi primary schools (school enrolment data).
- ◆ 60 best performing students will benefit from the award scheme at Ngomeni Secondary School(5 students per class of form 1 to 4 for 3 years project period).
- ◆ 635,476 people will benefit from the constructed ICU in Malindi Sub-County Hospital (2019 population census).
- ◆ 424,836 people from Malindi and Magarini will benefit from the tarmacked Mjanaheri-Ngomeni road and constructed Burangi foot-bridge (2019 population census).

SUSTAINABILITY

- ◆ The MISHDP - II is a culmination of development requests from the local community in Malindi and Magarini sub-counties that was

triggered by need for such facilities and services.

- ◆ This creates a strong aspect of community ownership particularly in utilizing and managing of the facilities.
- ◆ The design of the programme aims to strengthen institutional, economically, environmental, social & infrastructure sustainability once implemented.

COAST DEVELOPMENT AUTHORITY

Malindi Social Health Development Programme - II

CDA's AREA OF JURISDICTION

WHO WE ARE

Coast Development Authority (CDA) is a Regional Development Authority established in 1990 by an Act of Parliament (Cap 449), with the mandate to plan and coordinate the implementation of integrated development projects and programmes within the whole of Coast Region (Mombasa, Kwale, Kilifi, Taita Taveta, Tana River and Lamu Counties), including the Southern part of Garissa County and the Kenya's Exclusive Economic Zone (EEZ) and for connected purposes.

CDA operations are guided by the following strategic objectives:

- To contribute to food self-sufficiency in the region;
- To contribute to poverty reduction and improvement of social economic wellbeing of the communities;
- To contribute to the reduction of unemployment in the region;
- To conserve the environment and manage the natural resources for sustainable development and;
- To strengthen CDA's financial base.

THE PROPOSED PROGRAMME

- ◆ The proposed Malindi Integrated Social Health Development Programme Phase II (MISHDP-II) is being implemented in Malindi and Magarini sub-counties within Kilifi County.
- ◆ Coast Development Authority (CDA) successfully implemented the Malindi Integrated Social Health Development Programme Phase I (MISHDP-I) between June 2008 and 2012.
- ◆ The completed projects in MISHDP-I are in operation and serving the local population in the infrastructure (road, sea wall, water), education and health facilities.
- ◆ MISHDP-II focuses on Education, Health and Infrastructure sectors.

PROGRAMME GOAL

- ◆ The overall goal of the proposed programme is to improve the social and economic development of Malindi and Magarini sub-counties.

SPECIFIC OBJECTIVES

- To improve the education facilities and school enrollment in Magarini sub-county;
- To improve health facilities and access in Malindi and Magarini sub-counties;
- To improve infrastructure and access in Malindi and Magarini area in general;
- To strengthen local, county and regional capacity for sustainable programme management.
